The PlotWatcher Pro One-Year Warranty will repair or replace any PlotWatcher Pro found to be defective due to workmanship or materials used, for a period of up to 1 year from its original date of purchase. Day6 Outdoors, LLC will have sole authority to determine whether damage done to a PlotWatcher Pro is covered under this warranty, and if so, whether to repair or replace the damaged camera.

Day6 Outdoors does not warrant the PlotWatcher Pro for damage caused by misuse, improper use and/or improper handling.

Should you need to return a PlotWatcher Pro under the terms of this warranty, please contact our customer service department at (706) 256-2578 in order to obtain a return merchandise authorization number (RMA#). Our Customer Service Representative will provide you with shipping instructions needed to return your camera to Day6. The customer will be responsible for shipping charges to return the PlotWatcher Pro and Day6 will pay for the return shipping charges if the damage is covered by warranty. Should it be determined that the damage is not covered by this warranty for any reason, the return shipping costs will be the responsibility of the customer.

Should you need to return your PlotWatcher Pro, please return the camera, with the RMA# written on the box and packed so as to prevent further damage to the unit, along with the original purchase receipt to the following address:
